

**Creating smarter healthcare.**

**#teamMHSflorida**

#teamMHSflorida is an award-winning group of friends and colleagues at one of the largest not-for-profit health systems in the nation. We have six acute hospitals, including a freestanding children's hospital, all of which are centrally located in South Broward County, between beautiful Fort Lauderdale and Miami. We're 13,000 strong, living a vision of wellness for all. We're learning and growing, caring and sharing, working hard and enjoying life in a community we love.

## **Position: Organizational Development Specialist**

### **Memorial Healthcare System**

Working collaboratively at organization and division levels to ensure business planning, performance monitoring, and learning processes inform and support each other, you will provide a range of consultation services to leaders on the development and implementation of key strategies and training for creating and sustaining a high-performing organization.

### **Qualifications:**

- Bachelor's Degree in Human Resources Management, Organizational Development, Applied Behavioral Sciences, Business Administration, or related field.
- Demonstrated knowledge of adult learning styles, participative training design, group dynamics, interactive learning methods, systems theory and quality improvement processes
- Proficiency in the use of the Microsoft Office suite
- Minimum of 3 years of internal consultation and corporate training experience working with leadership at various levels.

We invite you to share in our bold and confident vision. Find a true home for your career. And be part of a story that continues to unfold.
